INVESTMENT CRITERIA

Seeking majority ownership of profitable, well-run companies in the US and Canada with the following characteristics:

Our mission is to deliver superior returns by buying successful, niche-leading companies and taking them to the next level.

We will accomplish this by partnering with management teams to improve operations, support organic growth initiatives, and complete add-on acquisitions. We will create value for all stakeholders by building companies that are not just bigger but qualitatively better and more well-positioned strategically by the time we realize our investment.

INVESTMENT STRATEGY

Once acquired, High Road helps its companies reach the next level by:

- Improving the infrastructure, systems and processes of the company
- Supporting management's organic growth initiatives
- Utilizing operating resources to identify opportunities for growth and efficiency
- Finding & completing add-on acquisitions that improve the company's strategic position

INVESTMENT PHILOSOPHY

We believe the path to success lies in taking the high road in all that we do:

- Cutting a fair deal and sticking to it
- Treating portfolio company management teams as partners
- Responding to bumps in the road with patient but focused effort
- If we consistently work hard and do the right thing, we will ultimately succeed
